

City of Cambridge Port Infrastructure Working Group

March 18, 2022 9-11 AM

Via Zoom webinar. Public may join via this link: <https://cbuilding.zoom.us/j/95582173147>
(Working Group members should join via the unique panelist joining links they were each sent by Nate Lash)

Meeting objectives

- Share updates on community engagement approach
- Share resources with Working Group members to share information and start conversations with neighbors
- Learn about the history of the Port

Reflection questions for WG members ahead of meeting

- What questions do you have about the Port's history?
- What would help support you in your capacity as a Working Group member to raise awareness about this project in the neighborhood and encourage residents to provide input into the process?
